Habitat
for Humanity®
Sarnia/Lambton

When your company participates, everybody wins!

- Together, with your support, we can continue helping families achieve the stability and independence they need to build better, more prosperous lives for themselves and their children
- Your team is challenged to roll up their sleeves and learn about themselves and each other
- Your company is seen as a leader in helping create positive, lasting change within our community
- Your sponsorship helps create a home that you can physically touch
- Most importantly, a local family has a decent, safe and affordable place to call home that you helped build with your own hands
